

Haskins

FAMILY FURNISHERS SINCE 1930

Immerse yourself in your own oasis of comfort with the elegant Sheridan.

Part of the exclusive La-Z-Boy UK Originals Collection, this Sheridan armchair features a high back for supreme support, and luxurious padding from head to foot. Sections in the seat and back ensures that the generous foam filling stays zoned, for even and long-lasting support.

Choose from the patented La-Z-Boy handle recline mechanism, our power recline model, or a static suite.

Customise your suite with a three seater, two seater and chair available in a selection of fabric options, or 100% leather colourways and four attractive grades.

A rocker recliner model is available, allowing you to rock in comfort, or lock the handle recline mechanism to find your perfect way to relax.
