Bentley Atlanta Two Tone Bedroom

Combining a soft white painted finish with contrasting American oak veneers, the Atlanta Two Tone is a collection that complements both modern and traditional bedroom settings. With its clean and simple lines, it is a timeless range that offers versatility through its choice of storage cabinet options including an underbed drawer which comes with a protective dust cover. Practical and compact, the Atlanta Two Tone is finished in a hard-wearing lacquer with additional features such as superior sprung slatted bed base and conical wooden handle.
