Bentley Bergen Grey Washed Oak & Soft Grey Dining

Bergen is a strikingly contemporary, modular-based collection of dining, living room & home office furniture that offers flexibility and practicality in tune with today's lifestyles. Made with a combination of attractive grey washed oak tops contrasting with soft grey pigment frames, this range is hugely versatile, offering two sizes of tables, ultramodern low back slat and upholstered chairs as well as a more standard high back slat chair, in fabric or faux leather options. The design features curved tapering legs that meet the patterned tops in a three way mitre joint, boasting a real technical prowess by way of precise CNC machining, neat finishes and general technical excellence to create a complex simplicity! Inspired by the needs of open plan living, it allows you to create functional combinations of shelf units and cabinet pieces that fit seamlessly within dining, lounge or home office settings. The Bergen collection is the perfect solution for the demands of modern-day living.
