Chevron Peppercorn Ash

Add glamour and make a statement in your home with the Chevron Peppercorn ash occasional range. Saw cut ash marquetry tops are finished in a rich peppercorn coloured stain and married with a burnished satin brass metal base to give this range a chic and luxurious feel. Each of the hand-crafted boarded chevron patterned tops are wire brushed and distressed to give an authentic look and tactile feel, making the most of the beautiful and varied grains of ash. The radiused tops and bases combine beautifully with the linear frames to create a contemporary and slightly eclectic blend.
