## Dansk Scandi Oak Dining

Taking inspiration from sophisticated mid-century styling through hints of both retro and Scandinavian design, Dansk is a fashionable range that features an eclectic blend of shapes and forms. Crafted from a combination of oak veneers and turned solid beech legs, in a fresh Scandinavian light oak finish, the Dansk range is characterised by its striking beauty. Attention to detail such as feature handles and engineered mitre joints all contribute to the quality of this range. The option of a stylish veneered back chair, a distinctive fully upholstered chair in a dark grey fabric or a more classically inspired solid beech spindle chair completes the contemporary retro look.
