Parker Knoll Juniper

As its namesake implies, Juniper takes inspiration from all things natural. The iconic winged back and modern clean lines perfectly blend contemporary and traditional style elements in harmony, making it a flawless fit for any space. Our soft upcycled fabrics make the seating experience on the Juniper kinder to the environment and more comfortable than ever. Handcrafted in Britain to utilise Surpentine springs and featuring a 25-year frame guarantee, Juniper has been refined by our committed craftspeople so that it can withstand the test of time, helping to reduce our planet's waste.
