Sleepeeze Balance-1200

If you suffer from allergies and overheating, the Balance Plus 1200 will help you stay healthy and sleep deeply. Part of our PocketGel Plus range, it features game-changing ViroFresh™ anti-microbial technology and Staycool™ Gel to regulate your body temperature.

ViroFresh™ kills 99.9% of bacteria and viruses on contact, making this the ideal mattress if you want to optimise your health and well-being while you sleep.
