FAMILY FURNISHERS SINCE 1930

Tetrad Constable

A classic Chesterfield enhanced by a distinctly bohemian feel, the scatter back design brings a twist of modernity to a traditional style.

Generous scroll arms and comfortable sprung seats with feather-filled seat cushions and a sprung back offer superb support. The scatters feature feather fillings for that fabulous sink-in-your-seat feeling.

With its unusual mix of textures and patterns, the Constable collection looks at home in any living room.
