TCH Windsor

The classic lines of the Windsor range will provide your home with fine furniture that will make any dining room, kitchen or eating area look it's best. With an emphasis on good craftsmanship and honest design, the Windsor collection is made from a combination of solid European oak and veneer.

The collection comprises of unique extending tables, practical modular shelving system, well designed console tables, sideboards, bookcases. Coffee and lamp tables, TV units, or even nest of tables, the Windsor range can supply every need. Windsor's clean-cut profile and understated lines introduce a relaxed and pleasing atmosphere into any home.
