Gradi Carrara

We have two very special Cat 2 leathers that suit the Carrara model particularly well but can be selected on any Gradi model. The 500 & 510 are hand finished which creates a mottled two tone effect beautiful to the eye and touch. With a hint of tradition and an abundance of style Carrara will add presence wherever it is placed in the home. The simple yet effective carving in the show wood frame and the touch of buttoning in the back cushion defines the Gradi heritage and look.
