Sleeppeeze Graphite Echo 4700

The unique deep luxury layers of Graphite Memory Foam in the Graphite Echo 4700 moves heat away from the body, preventing overheating and leaving you feeling well-rested every morning. A sumptuous pillow top and the combination of reflex foam and an impressive 4700 pocket springs is also ideal if you wake up with aches and pains.

Added side support maximises your sleeping space with full edge-to-edge support, perfect for nights where you are sharing your sleep space.
